

# Clean-up Procedures

for the TAB Classroom

## Keys for Success

- Review and model
- Check studio centers before Share Time
- Uphold Studio Norm expectations
- Hold individual students accountable

## Timing is Everything!

- 15 Minutes before leave time
  - Give students a five minute warning:
  - Ring a bell or other fun sound
  - (Remind students to write their name and find a stopping point.)
- 10 Minutes before leave time
  - Stop work time and review where art work needs to be placed.
  - Students put art away and meet on the rug.
- ★ Review and Model clean-up
  - Point out areas of the studio that need extra attention
  - Remind students of Studio Norms and their individual messes
- ★ Observe clean-up
  - Watch students clean-up and redirect behaviors when needed
- 5 Minutes before leave time
  - Regather students to the rug area and review the studio to check for any messy areas
  - Begin share or go back to clean-up
